

dense jungle. Chiribiquete was already Colombia's largest park, and it has now become the size of Belgium.

There is more that needs to be done to protect Colombia's environment, particularly from the damage caused by mining and other extractive industries which has often occurred in, or adjacent to, environmentally fragile areas or indigenous reserves.

But President Santos' single stroke of the pen has done more for environmental conservation and species protection than what most heads of state do in a lifetime. I commend him for it and congratulate the Colombian people. Colombia has set an example for all of us who care about the environment and recognize that we have a responsibility to protect it for future generations.

##### TRIBUTE TO JOSEPH ROBERTS

• Mr. JOHNSON of South Dakota. Mr. President, Today I wish to recognize one of my staff members who is currently battling cancer. Joseph F. Roberts has worked in my Rapid City congressional district office since September 2002. Combined with service in the Peace Corps and the U.S. Air Force, Joe has served our Nation for approximately 19 years in Federal and military service.

As a member of my staff, Joe has provided exemplary constituent service to veterans and their families, as well as servicemembers and constituents facing numerous issues. He has always approached his work with a high degree of professionalism and a genuine caring attitude. That caring attitude stems from years of therapy and counseling services in the private sector he provided to the people of western South Dakota.

His service in the U.S. Air Force has served him well in working with veterans, and he has taken particular interest with veterans who suffer from military sexual assault, Traumatic Brain Injuries, and Post-Traumatic Stress Disorder. Veterans and their families know they have a true advocate with Joe in their corner when it comes to obtaining answers and decisions on claims, searches for records and medical care issues. Joe's time in the Peace Corps brought him to Romania and Guyana where he served in a number of capacities including education and training on domestic violence, sexual abuse, substance abuse and communication, as well as working on infrastructure issues and providing psychotherapy and other counseling assistance. These experiences helped him greatly in my district office as he assisted constituents with local, State and Federal issues and problems, including a wide array of immigration and passport issues.

I have always been impressed by Joe's sense of dedication and commit-

ment to helping people. One of the great rewards in life is helping others and whether it has been his work in the Peace Corps, his private work as a therapist and counselor, or his work in constituent service in my office, Joe has helped many people. Over the years, I have received numerous thank you notes and letters from constituents praising the work of Joe Roberts.

And he has approached his battles with cancer over the years with commitment, humor and perspective, always sharing, teaching and counseling despite the challenges of the disease.

I take this opportunity to thank Joe for his service and his work on my behalf with the people of South Dakota. I congratulate him on his many years of service to the people of South Dakota and to his country and commend him for a job well done.●

##### RECOGNIZING THE ORPHEUM THEATER CENTER

• Mr. JOHNSON of South Dakota. Mr. President, today I wish to honor the Orpheum Theater Center in Sioux Falls, SD on its centennial anniversary. Since 1913, the Orpheum Theater has established itself as a place of excellence in the arts.

On a breezy Thursday evening in October, exactly 100 years ago today, the Orpheum Theater opened its doors and charged patrons an unheard of price of \$5 per seat. The opening night performances stunned the audience with a broad spectrum of entertainment including the Orpheum Concert Orchestra, two comedy acts, and headlines from around the world via a state-of-the-art newsreel.

Over the past 100 years, the Orpheum Theater has changed owners several times and has undergone many renovations, most recently in 2009. Thanks to its dedicated staff and exceptional volunteers the Orpheum Theater has consistently provided a superb place to experience performing arts and annually 100,000 people visit this world-class venue.

South Dakotans have congregated at the Orpheum Theater for elegant performances by entertainers both from within our community and around the world. I congratulate the Orpheum Theater Center on reaching this milestone, and wish it continued success. Encore!●

##### U.S. AIR FORCE ACADEMY CHAPEL DEDICATION

• Mr. BENNET. Mr. President, today I wish to celebrate the 50th anniversary of the dedication of the Cadet Chapel at the U.S. Air Force Academy. In the half century since its founding, the Cadet Chapel has become a National Historic Landmark and the most popular manmade attraction in Colorado. Each year more than 750,000 visitors explore this iconic and unique building.

Today, the Cadet Chapel is a multifaith house of worship specifi-

cally designed to provide multiple distinct worship areas under a single roof, meeting the spiritual needs of the Academy's cadets. The chapel's aluminum, glass and steel structure features 17 spires that soar 150 feet toward the Colorado sky.

Annually, over 4,000 cadets are provided 850 religious worship and educational opportunities to practice their personal faith. The chapel also provides religious rites and observances such as baptisms and dedications, weddings, funerals and memorial services. Most worship services are open to the general public and thousands of visitors each year attend worship.

The Cadet Chapel fosters outstanding civic involvement by partnering with the local community to host four annual free concerts with over 2000 attendees. The U.S. Air Force Academy Cadet Chapel is truly unique. Its iconic architectural structure serves as a symbol of the Academy and is recognized worldwide. Most important, the Cadet Chapel enables the free exercise of religion for cadets in this unique campus setting and aids the Chaplain Corps at the Air Force Academy to inspire men and women to become leaders of character through spiritual formation.

In the 50 years since the Cadet Chapel was dedicated our Nation has sent Air Force Academy graduates to serve in the skies and jungles of Vietnam and the deserts of Iraq. Those that once bowed their head beneath the spires of the Chapel served our country in the former Yugoslavia and in the mountains of Afghanistan, and they continue to serve the cause of freedom around the globe today. We thank them for their service, and we congratulate the Air Force on the 50th anniversary of the dedication of the Air Force Academy's Cadet Chapel.●
